### **UNMISS Workshop on Child Protection for Parliamentarians**

The United Nations Mission in South Sudan (UNMISS) conducted a one day workshop for the South Sudan Parliamentary Lobby Group on Children. The workshop created an enabling environment for engaging with this lobby group and assisted in developing tools for monitoring and reporting on justice for children.

The training is part of UNMISS' effort to support the Legislative Assembly in discharging the Government of South Sudan's responsibilities to protect women and children affected by armed conflict.
